## An evening of baseball in Québec

On Friday June 2<sup>nd</sup> 2017, come and experience the typical North American activity that is watching a baseball game. We invite you to spend an evening at the CANAC Stadium while Québec's team *Les Capitales the Québec* will duel with the Rockland's Boulders.

The game will be held in the CANAC Stadium; a patrimonial building built in 1938 and forever linked to the history of baseball in Québec. This small stadium, located in the beautiful *Parc Victoria* in the lower town, offers a warm and dynamic atmosphere.

The tickets provided are in the mezzanine section and offer a great view of the whole game.

During the game, it is possible to get food and drink in the stadium.
